Michael Paxton - President

A service disabled veteran of the United States Navy, Mr. Paxton formed Modular Systems Network (MSN) in 1993 out of his garage. Since it's inception, MSN has continued to grow in it's success and long term relationships with both commercial and government clients. Michael is skilled in both sales and installation.

Kevin Briscoe - Vice President

Mr. Briscoe joined Modular Systems Network (MSN) in 1995, after successfully opening and managing businesses in Hawaii and California. *Combining talents and a common goal to succeed through meeting and exceeding customers expectations is the key to the success of MSN.* Kevin is factory trained in both sales and installation.
